## Praise the Lord.

The Paducah News-Democrat, voices our sentiments, in the following, editorial, printed in its last issue:

Praise God from whom all blessings flow!

Kentucky Republicanism has had its day. The voters of this commonwealth in a fair, free election, showed in no uncertain way that they have had enough of the party which gave a Deboe to the United States Senate and a Taylor to Indianapolis, Ind.

The meaning which found an expression in the election returns is of no uncertain tenor. The results mean that Kentucky, once again, and once for all, is a safely Democratic State—the keystone of the Democratic arch, and the outer breastwork of the solid South.

It means that we will have no more of Bradley's bayonet rule at Frankfort; no more of Taylor's policy of intimidation and assassination; no more of Deboeism, Youtseyism and Yerkeism.

It means an end to all fear of negro domination, Force bill advocacy and scandals in the executive building.

It means that there will no longer be murdering of Queen's English in the United States Senate chamber and murdering of citizens from behind closed shutters on Capitol square.

In short it means Kentucky is Democratic once more by the old-time majorities.

Bless de Lawd!

The Democratic victory in Kentucky shows that the Democratic election laws are working very well in this State.

It makes a Republican sick to hear a sheep bleat. This time last year they were telling us that wool would be 30 and 40c a pound this year if the Republican party were kept in power. No wonder they take flight every time they see a sheep.

The Mt. Sterling Sentinel-Democrat says: The Democratic broom—made of Brown Democrats, Goebel Democrats, Bryan Democrats, Cleveland Democrats, Old-line Democrats and New-time Democrats—swept clean.

We hope the election on Tuesday has forever wiped out factional lines in Montgomery county.

The official count of Bourbon county give Thompson, Democrat, for Representative, 289 majority over Pepper, Republican. The city and county tickets ran close to Thompson's vote. The Republicans elected one Magistrate, Ingram, in the Ruddell's Mills precinct by nine majority. The hottest fight in the county was at Millersburg, where A. C. Ball, Democrat, won for Magistrate over Booth, Republican.

The good news in Kentucky and Maryland much more than offsets the news of Republican victory in Nebraska, and the situation following Tuesday's elections may be contemplated with satisfaction by the Democrats. The most important teaching of the general result is that the Democratic organization is sound and adequate, that the party spirit is vital, and that Democratic principles capably proclaimed and presented before the people may be counted upon for victory in the Congressional elections of 1902 and in the Presidential election of 1904.

## The Children's Friend.

You'll have a cold this Winter. Maybe you have one now. Your children will suffer, too. For coughs, croup, bronchitis, grip and other Winter complaints, One Minute Cough Cure never fails. Acts promptly. It is very pleasant to the taste and perfectly harmless. C. B. George, Winchester, Ky., writes: "Our little girl was attacked with croup late one night, and was so hoarse she could hardly speak. We have her a few doses of One Minute Cough Cure. It relieved her immediately and she went to sleep. When she awoke next morning she had no signs of hoarseness or croup. W. T. Brooks."

PRESIDENT ROOSEVELT and the governor of Massachusetts are praised for their liberality in appointing Democrats to judgeships. It is noticeable, however, that they choose the kind of Democrats that vote the Republican ticket.

The above named Company, composed of business men of Paris, has recently been incorporated, and for the purpose of developing their oil and mineral leases, offer for sale a limited number of shares of stock.

The Company's holdings consist of leases on nearly 7,000 acres of land, nearly all of which are located in Barren and Allen Counties, Kentucky. Their lands have been carefully selected, some of which adjoin lands on which are Oil wells that have produced for years a very fine grade of oil. Their leases were secured before the present rush and excitement began in those Counties, and are choice lands, and valuable.

Lands, adjacent to Company's, secured recently by Eastern capitalists at large price, are now being developed as fast as machinery can be put on grounds. Those desiring stock can obtain same by applying to Secretary or any officers of the Company.

## You Do, or You Don't Need Glasses

The eye being a rather delicate organ, great care should be exercised in the selection of proper glasses. Many believe that glasses should be restored to only when the sight becomes so defective as not to be able to do without. This is a great mistake which must be combatted. Whenever there is unmistakable evidence of the need of their aid, they should be used. A neglect of this rule sometimes produces mischief which results in serious trouble if the course be persisted in.

Our Dr. C. H. BOWEN having just returned from taking a special course in Optics from one of the best specialists in New York, is prepared to do the best of work, having the latest improved methods of fitting. Examinations free. Next visit Thursday, Nov. 14, 1901.
